

DMI Conference History

DMI2025 was held successfully in Hong Kong during July 7-9, 2025. More than 50 selected presentations and speeches from over 10 countries and regions were delivered both onsite and online, including seven keynote speeches on the related topics of management and big data, digitalization and management innovation.

DMI2024 was held smoothly during October 25-27, 2024 in the campus of Beijing Wuzi University, Beijing, China.

DMI2023 was held during August 1-4, 2023 in Seoul, South Korea. DMI 2022 was held on November 26th, 2022 via onsite (Beijing, China)/online, hosted and organized by Business School of Beijing Wuzi University.

Nearly 200 participants from about 10 countries and regions gathered at DMI2022 via online and onsite.

Brief Introduction to DMI 2026

Co-organized by Beijing Wuzi University, Xiangnan University and HKU SAAS Data Science Lab (School of Computing and Data Science, The University of Hong Kong), the 5th International Conference on Digitalization and Management Innovation (DMI 2026) will be held during **August 24-27, 2026 in Xi'an, Shaanxi, China**. Xi'an, one of the oldest cities in China, has earned the title of a "Natural History Museum". The Museum of Terracotta Warriors and Horses is hailed as "the eighth wonder of the world".

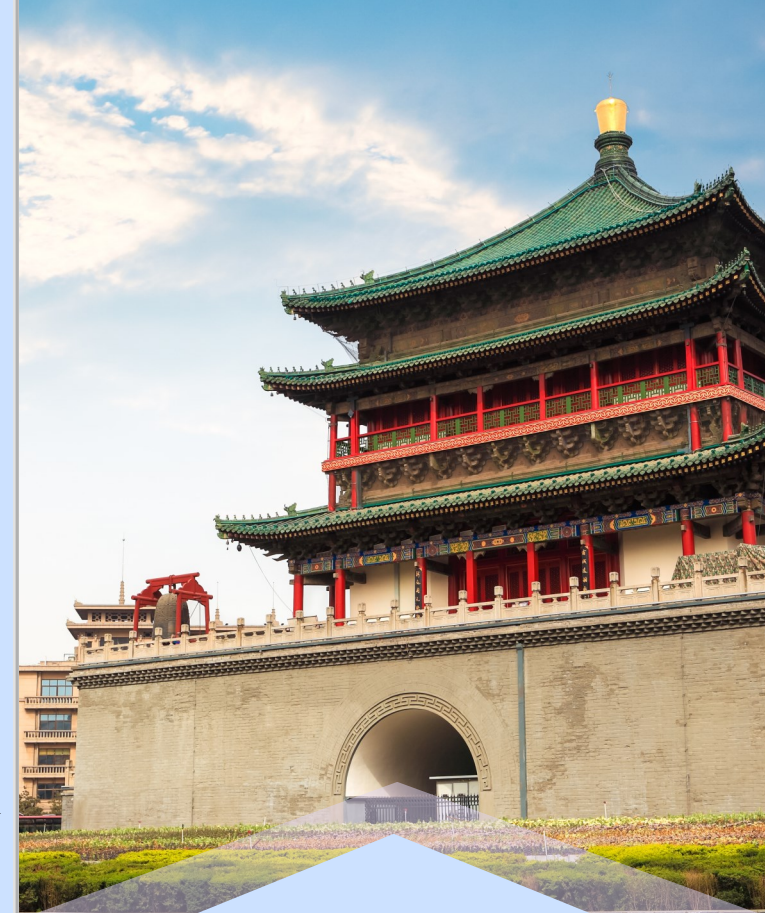

It aims to provide a high-level platform for experts and scholars worldwide to share their latest ideas of digitalization and management innovation featured **new ecology of lifelong education** supported by Hunan Lifelong Education Research Base Xiangnan University Base, and **Track on "Applied-education and applied-research in AI, Data Science, and Web6.0", the Second Edition** (proposed and chaired by Dr. Adela Lau, Deputy Director of HKU SAAS Data Science Lab), to foster the prosperity of the discipline.

Highlights

- ♥ Certificates for attendance, oral/poster presentations & invited speakers will be issued.
- ♥ **Best Oral/Poster Presentations** + Outstanding Reviewers win next **DMI free registration + honorary certificates**.
- ♥ Accepted full paper to be published in conference proceedings in **FAIA** indexed by EI Compendex, Scopus etc.; selected papers will be recommended to ISI reputed journals.
- ♥ **Awarding Banquet** witnesses honor highlights, preserving wonderful academic exchange memories.
- ♥ **One-day Xi'an Field Research**: immersive experience of the ancient capital's history & culture.
